INDEPENDENT AUDITOR'S REPORT

To the Honorable Judge and
Members of the Commissioners' Court of
Ward County, Texas

Adverse and Unmodified Opinions

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Ward County, Texas, as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the basic financial statements of the County's primary government as listed in the table of contents.

Adverse Opinion on Aggregate Discretely Presented Component Units

In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the financial statements referred to above do not present fairly the financial position of the aggregate discretely presented component units of Ward County, Texas as of December 31, 2021, or the changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Unmodified Opinions on Governmental Activities, Each Major Fund, and the Aggregate Remaining Fund Information.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information for Ward County, Texas, as of December 31, 2021, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and in the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ward County, Texas, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have

obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Matters Giving Rise to Adverse Opinion on the Aggregate Discretely Presented Component Unit

The financial statements do not include financial data for Ward County, Texas's legally separate component unit, Ward Memorial Hospital. Accounting principles generally accepted in the United States of America require the financial data for those component units to be reported with the financial data of the County's primary government unless the County also issues financial statements for the financial reporting entity that include the financial data for its component unit. The County has not issued such reporting entity financial statements. The effects of not including the County's legally separate component unit on the aggregate discretely presented component unit.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Ward County, Texas ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ward County, Texas's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ward County, Texas's ability to continue for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, TCDRS pension information, the schedule of changes in the total OPEB liability and related ratios, and budgetary comparison information on pages 5-11, page 57, page 61, and page 54, respectively, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplemental information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Ward County, Texas's basic financial statements. The combining nonmajor fund financial statements and schedule of expenditures of state awards, as required by the State of Texas *Uniform Grant Management Standards* are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of

America. In our opinion, the combining nonmajor fund financial statements are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated August 1, 2022, on our consideration of Ward County, Texas's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Ward County, Texas's internal control over financial reporting and compliance.

Smith & Rives, PC
Monahans, Texas
August 1, 2022

WARD COUNTY, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS
AS OF DECEMBER 31, 2021

This section of Ward County's annual financial report presents our discussion and analysis of the County's financial performance during the fiscal year ended December 31, 2021. Please read it in conjunction with the Independent Auditor's Report on page 1, and the County's Basic Financial Statements, which begin on page 12.

FINANCIAL HIGHLIGHTS

The County's net position increased by \$9,569,297 as a result of this year's operations. The County does not have any business-type activities, so the increase above is attributable to our governmental activities. (Exhibit B-1)

During the year, the County had expenditures that were \$14,335,970 less than the \$39,790,522 generated in tax and other revenues for governmental programs (before special items). (Exhibit C-3)

Total cost of all the County's programs was \$25,026,198. (Exhibit B-1)

The General Fund ended the year with a fund balance of \$32,102,958. (Exhibit C-3) This is a decrease of \$1,107,735 from the prior year fund balance attributable to more transfers out in the current year.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The government-wide financial statements include the Statement of Net Position and the Statement of Activities (on pages 12-16). These provide information about the activities of the County as a whole and present a longer-term view of the County's property and debt obligations and other financial matters. They reflect the flow of total economic resources in a manner similar to the financial reports of a business enterprise.

Fund financial statements (starting on page 17) report the County's operations in more detail than the government-wide statements by providing information about the County's most significant funds. For governmental activities, these statements tell how services were financed in the short term as well as what resources remain for future spending. They reflect the flow of current financial resources, and supply the basis for tax levies. The remaining statements, fiduciary statements, provide financial information about activities for which the County acts solely as a trustee or agent for the benefit of those outside of the County.

The notes to the financial statements (starting on page 24) provide narrative explanations or additional data needed for full disclosure in the government-wide statements or the fund financial statements.

The combining statements for non-major funds, internal service funds and agency funds contain even more information about the County's individual funds.

REPORTING THE COUNTY AS A WHOLE

The Statement of Net Position and the Statement of Activities

The analysis of the County's overall financial condition and operations begins on page 5. Its primary purpose is to show whether the County is better off or worse off as a result of the year's activities. The Statement of Net Position (page 12) includes all the County's assets and liabilities at the end of the year while the Statement of Activities includes all the revenues and expenses generated by the County's operations during the year. These apply the accrual basis of accounting, which is the basis used by the private sector companies.

All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid. The County's revenues are divided into those provided by outside parties who pay the costs of some programs (such as court costs and fees) and grants provided by outside parties and agencies (program revenues), and revenues provided by the taxpayers or other unrestricted sources (general revenues). All the County's assets are reported whether they serve the current year or future years. Liabilities are considered regardless of whether they must be paid in the current or future years.

These two statements report the County's Net Position and changes in them. The County's Net Position (the difference between assets and liabilities) provides one measure of the County's financial health, or financial position. Over time, increases or decreases in the County's Net Position are one indicator of whether its financial health is improving or deteriorating. To fully assess the overall health of the County, however, you should consider non-financial factors as well, such as changes in the County's property tax base or the condition of the County's facilities.

In the Statement of Net Position and the Statement of Activities we present only the following activity:

Governmental Activities: Most of the County's basic services are reported here. Property tax, state and federal grants, charges for services and fines finance most of these activities.

REPORTING THE COUNTY'S MOST SIGNIFICANT FUNDS

Fund Financial Statements

The fund financial statements begin on page 17 and provide detailed information about the most significant funds – not the County as a whole. Laws and contracts require the County to establish some funds, such as grants received from a government agency. The County's administration establishes many other funds to help it control and manage money for particular purposes. The County's two kind of funds – governmental and proprietary – use different accounting approaches.

REPORTING THE COUNTY'S MOST SIGNIFICANT FUNDS-continued

Governmental Funds: Most of the County's basic services are reported in governmental funds. These use modified accrual accounting (a method that measures the receipt and disbursement of cash and all other financial assets that can be readily converted to cash) and reported balances that are available for future spending. The governmental fund statements provide a detailed short-term view of the County's general operations and the basic services it provides. We describe the differences between governmental activities (reported in the Statement of Net Position and the Statement of Activities) and governmental funds in reconciliation schedules following each of the fund financial statements.

THE COUNTY AS TRUSTEE

Reporting the County's Fiduciary Responsibilities

The County is the trustee, or fiduciary, for certain funds. The County is responsible for ensuring that the assets reported in these funds are used for their intended purposes. All of the County's fiduciary activities are reported in a separate Statement of Fiduciary Net Position on page 22. Fiduciary funds are not reflected in the government-wide financial statements because the County cannot use these assets to finance its operations.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Our analysis focuses on the Net Position (Table I) and changes in Net Position (Table II) of the County's governmental activities.

Net position of the County's governmental activities were \$109,606,909 at December 31, 2021. Unrestricted net position – the part of net position that can be used to finance day-to-day operations without constraints established by enabling legislation, or other legal requirements – was \$35,355,542 at December 31, 2021. This increase was impacted by the District's change in net position of governmental activities. (Exhibit B-1)

Net Position - Jan 1	<u>100,037,612</u>	<u>82,911,514</u>
Net Position - December 31	<u>\$ 109,606,909</u>	<u>\$ 100,037,612</u>

The cost of all governmental activities this year was \$25,026,198. (Exhibit B-1) However, as shown in the Statement of Activities on pages 12 thru 16, some of the costs were paid by those who directly benefited from the programs (\$1,013,790) or by other governments and organizations that subsidized certain programs with grants and contributions (\$1,665,440).

THE COUNTY'S FUNDS

As the County completed the year, its governmental funds (as presented in the balance sheet on page 17) reported a combined fund balance of \$65,727,053.

The General Fund is the chief operating fund of the County. At the end of the current fiscal year, unassigned fund balance was \$32,102,958.

General Fund Budgetary Highlights

Over the course of the year, the Commissioners' Court made revisions to the County's budget. These budget amendments were made within the same function.

The resources available for appropriation were \$1,512,702 more than budgeted for the General Fund, which is due to an increase in mineral valuations. (Exhibit G-1)

Expenditures were \$2,141,936 less than budgeted, which is attributable to overall expenditures being less than anticipated. (Exhibit G-1)

Actual expenditures were less than budgeted amounts for function 100 in the amount of \$336,839; function 510 in the amount of \$203,680; function 800 in the amount of \$703,590. These differences are the result of actual expenditures being less than anticipated. (Exhibit G-1)

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

As of December 31, 2021, the County had invested \$40.6 million in a broad range of capital assets, including land, buildings and equipment.

Additions for the year included buildings/improvements, vehicles, machinery/equipment and construction in progress.

More detailed information can be found in Note 5 on page 34 of this report.

Long-Term Obligations

At the end of the year, the County had \$23.9 million of long-term obligations.

More detailed information about the County's long-term liabilities can be found in Note 8 on page 38.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET AND RATES

The County's elected and appointed officials considered many factors when setting the fiscal year 2022 budget and tax rate. One of those factors is the economy and, in particular, the oil & gas industry. The price of crude oil and natural gas has been steady over the course of the current year, which contributes heavily upon the valuation of properties on the mineral roll. The County's population has held steady in recent years, and it is possible that it may continue into the foreseeable future.

These indicators were taken into account when adopting the budget for 2022. Amounts available for appropriation in the budget are \$30,429,933, an decrease of 9.10% compared to the 2021 budget of \$33,459,111. Budgeted expenditures are expected to decrease by 0.35% to \$21,201,753 from \$21,128,032 in 2021. There are budgeted interfund transfers to Construction Funds for \$6,900,000, EMS for \$900,000, and Ward Memorial Hospital for \$1,500,000. If these estimates are realized, the County's budgetary General Fund Balance will decrease by \$71,820.

CONTACTING THE COUNTY'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, customers, investors, and creditors with a general overview of the County's finances and to show the County's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the County Auditor's Office at the Ward County Courthouse, 400 S. Allen St., Monahans, Texas, 79756.

The County's legally separate component unit, Ward Memorial Hospital, has its own financial audit. If you have questions about this report or need additional financial information, contact the Hospital's management at the Ward Memorial Hospital, 406 S. Gary Avenue, Monahans, Texas, 79756.

WARD COUNTY, TEXAS
RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET TO THE
STATEMENT OF NET POSITION
FOR THE YEAR ENDED DECEMBER 31, 2021

Total Fund Balances - Governmental Funds	\$	65,727,053
Capital assets used in governmental activities are not financial resources and therefore are not reported in governmental funds. In addition, long-term liabilities, including bonds payable, are not due and payable in the current period, and, therefore are not reported as liabilities in the funds. The net effect of including the beginning balances for capital assets (net of depreciation) and long-term debt in the governmental activities is to increase net position.		21,521,804
Current year capital outlays and long-term debt principal payments are expenditures in the fund financial statements, but they should be shown as increases in capital assets and reductions in long-term debt in the government-wide financial statements. The net effect of including the 2021 capital outlays and debt principal payments is to increase net position.		3,843,184
This fiscal year required that the County report their net pension liability in the Government Wide Statement of Net Position. The items reported as a result of this implementation included a net OPEB liability of \$1,544,793, Deferred Resource Inflow of \$218,180, and a Deferred Resource Outflow of \$567,033. The net effect of these was to decrease the ending net position by \$1,893,646.		(1,893,646)
This fiscal year required that the County report their net pension liability in the Government Wide Statement of Net Position. The items reported as a result of this implementation included a net pension liability of \$964,658, Deferred Resource Inflow of \$3,451,855, and a Deferred Resource Outflow of \$5,122,359. The net effect of these was to decrease the ending net position by \$705,846.		705,846
The 2021 depreciation expense increases accumulated depreciation. The net effect of the current year's depreciation is to decrease net position.		(2,340,040)
Various other reclassifications and eliminations are necessary to convert from the modified accrual basis of accounting to accrual basis of accounting. These include recognizing deferred revenue as revenue, eliminating interfund transactions, reclassifying the proceeds of bond sales as an increase in bonds payable, and recognizing the liabilities associated with maturing long-term debt and interest. The net effect of these reclassifications and recognitions is to increase net position.		22,042,708
Net Position of Governmental Activities	\$	109,606,909

WARD COUNTY, TEXAS
 RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF REVENUES, EXPENDITURES,
 AND CHANGES IN FUND BALANCES TO THE STATEMENT OF ACTIVITIES
 FOR THE YEAR ENDED DECEMBER 31, 2021

Total Net Change in Fund Balances - Governmental Funds	\$	12,845,502
Current year capital outlays and long-term debt principal payments are expenditures in the fund financial statements, but they should be shown as increases in capital assets and reductions in long-term debt in the government-wide financial statements. The net effect of removing the 2021 capital outlays and debt principal payments is to increase (decrease) the change in net position.		3,843,184
The entries required by GASB 68 did require that some expenses on B-1 be adjusted. Total credits to expenses were \$3,082,670 and total debits to expenses were \$2,376,822. The net effect on the change in net position on Exhibit B-1 is an increase of \$705,848.		705,848
The entries required by GASB 75 did require that some expenses on B-1 be adjusted. Total credits to expenses were \$218,180 and total debits to expenses were \$2,111,826. The net effect on the change in net position on Exhibit B-1 is an increase of \$1,893,646.		(1,893,646)
Depreciation is not recognized as an expense in governmental funds since it does not require the use of current financial resources. The net effect of the current year's depreciation is to decrease the change in net position.		(2,340,040)
Various other reclassifications and eliminations are necessary to convert from the modified accrual basis of accounting to accrual basis of accounting. These include recognizing deferred revenue as revenue, adjusting current year revenue to show the revenue earned from the current year's tax levy, eliminating interfund transactions, reclassifying the proceeds of bond sales, and recognizing the liabilities associated with maturing long-term debt and interest. The net effect of these reclassifications and recognitions is to increase the change in net position.		(3,591,551)

WARD COUNTY, TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The authority of county governments and their specific functions and responsibilities are created by and dependent upon laws and legal regulations of the Texas State Constitution, Local Government Code and V.A.C.S. Ward County (the County) operates under a county judge/commissioners court type of government as provided by state statute. The financial and reporting of the County conform to generally accepted accounting principles (GAAP) applicable to state and local governments. GAAP for local governments include those principles prescribed by the Governmental Accounting Standards Board (GASB), which includes all statements and interpretations of the National Council on Governmental Accounting unless modified by the GASB and those principles prescribed by the American Institute of Certified Public Accountants in the publication entitled *Audits of State and Local Government Units*.

The Commissioner's Court has governance responsibilities over all activities related to Ward County, Texas. The County receives funding from local, state and federal government sources and must comply with the concomitant requirements of these funding source entities; however, the County is not included in any other governmental "reporting entity" as defined by authoritative guidance. There are no component units included within the reporting entity.

The County provides the following services to its citizens: public safety (law enforcement and detention), public transportation (roads and bridges), health and welfare (pauper care, health clinic facilities, meals for the elderly and indigent health care), culture and recreation facilities, conservation, public facilities, judicial and legal, elections functions, and general and financial administrative services.

Government-wide and Fund Financial Statements

The Statement of Net Position and the Statement of Activities are government-wide financial statements. They report information on all of the Ward County's non-fiduciary activities with most of the interfund activities removed. *Governmental activities* include programs supported primarily by taxes, fines and fees, grants and other intergovernmental revenues. *Business-type activities* include operations that rely to a significant extent on fees and charges for support.

WARD COUNTY, TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

The Statement of Activities presents a comparison between expenses and program revenues for each function of the County's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Program revenues include: a) fees, fines and charges paid by the recipients of goods or services offered by the program, and b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

Interfund activities between governmental funds appear as due to/due from on the Governmental Fund Balance Sheet and as other resources and other uses on the governmental fund Statement of Revenues, Expenditures and Changes in Fund Balances. All interfund transactions between governmental funds are eliminated on the government-wide statements. Interfund activities between governmental funds and fiduciary funds remain as due to/due from agency funds on the government-wide Statement of Net Position.

The fund financial statements provide reports on the financial condition and results of operations for three fund categories - governmental, proprietary and fiduciary. Since the resources in the fiduciary funds cannot be used for County operations, they are not included in the government-wide statements. The County considers some governmental funds major and reports their financial condition and results of operation in a separate column. Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. All other revenues and expenses are non-operating.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements use the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all the eligibility requirements imposed by the provider have been met.

Governmental fund financial statements use the current financial resources measurement focus and the modified accrual basis of accounting. With this measurement focus, only current assets, current liabilities and fund balances are included on the balance sheet. Operating statements of these funds present net increases and decreases in current assets (i.e., revenues and other financing sources and expenditures and other financing uses).

WARD COUNTY, TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Under the modified accrual basis of accounting, revenues are recognized in the accounting period or expected to be collected within 60 days after year end and be used to pay liabilities of the current period. Expenditures are generally recognized in the accounting period in which the fund liability is incurred, if measurable. Exceptions to this general rule included unmatured principal and interest on general long-term obligations which are recognized when due. This exception is in conformity with generally accepted accounting principles.

Property tax revenues and sales tax receipts are considered measurable and available when collected by the respective intermediary collecting agency and recognized as revenue at that time. Property tax revenues are considered measurable at the time of levy and are recognized as unearned revenue, net of an allowance for estimated uncollectible taxes, at that time. Property tax revenues are considered available if collected within 60 days subsequent to year end. All tax collections expected to be received subsequent to year end are, therefore, reported as unearned revenues. Licenses and permits, fines and forfeits, and miscellaneous revenues when received in cash because they are generally not measurable until actually received. Investment earnings are recorded on the accrual basis in all funds.

Intergovernmental revenues are recorded on a basis applicable to the legal and contractual requirements of the individual grant programs. If funds must be expended on the specific purpose or project before any amounts will be paid to the County, revenues are recognized as the expenditures or expenses are recorded. If funds are virtually unrestricted and irrevocable, except for failure to comply with required compliance requirements, revenues are recognized or susceptible to accrual. Federal and State grants awarded on the basis of entitlement periods are recorded as intergovernmental receivables and revenues when entitlement occurs. All other federal and state reimbursable-type grants are recorded as intergovernmental receivables and revenues when the related expenditures are incurred.

Fiduciary Funds are accounted for by GASB Statement No. 84, *Fiduciary Activities*, establishes criteria for identifying fiduciary activities focusing on whether a government is controlling the assets of the fiduciary activity and the beneficiaries with who a fiduciary relationship exists. An activity meeting the criteria is reported in a fiduciary fund in the basic financial statements. Governments with activities meeting the criteria present a statement of fiduciary net position and a statement of changes in fiduciary net position. An exception to that requirement is provided for a business-type activity that normally expects to hold custodial assets for three months or less. GASB 84 describes four fiduciary funds that should be reported, if applicable: (1) pension and other employee benefit trust funds; (2) investment trust funds; (3) private-purpose trust funds and; custodial funds.

WARD COUNTY, TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Fund Accounting

The County reports the following major governmental funds:

General Fund - The General Fund is the County's primary operating fund. It accounts for all financial resources except those required to be accounted for in another fund. The General Fund balance is available for any purpose, provided it is expended or transferred in accordance with the legally adopted budget of the County.

Building/Construction Fund - The Building/Construction Fund is used to account for and reports financial resources that are restricted to expenditure for capital outlay, including the acquisition or construction of capital facilities and other capital assets. The Building/Construction Fund excludes those types of capital-related outflows financed by proprietary funds or for assets that will be held in trust for individuals, private organizations, or other governments.

Other Funds - The Special Revenue Funds account for revenues derived from earmarked revenue sources that are legally restricted to expenditures for a specific purpose.

Fiduciary Funds - Fiduciary funds account for assets held in either a trustee capacity or in a custodial capacity for individuals, private organizations, other governmental units or other funds meeting the criteria established by GASB Statement 84, *Fiduciary Activities*. For the County, these are limited to custodial funds that hold assets not in trust on behalf of others in a purely custodial capacity.

Assets, Liabilities, Deferred Inflows/Outflows, and Net Position or Equity

Cash and Cash Equivalents - Highly liquid investments are considered to be cash equivalents if they have a maturity of three months or less when purchased.

Property Taxes - Property taxes are levied October 1 in conformity with Subtitle E, Texas Property Tax Code. Taxes are due on receipt of the tax bill and are delinquent if not paid before February 1 of the year following the year in which imposed. On January 1 of each year, a tax lien attaches to the property to secure payment of all taxes, penalties, and interest ultimately imposed.

WARD COUNTY, TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Capital Assets - Purchased or constructed capital assets are reported at cost or estimated historical cost. Donated capital assets are recorded at their estimated fair value at the date of the donation. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized. Generally, a capitalization threshold of \$5,000 is used.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction is included as part of the capitalized value of the assets constructed. There was no capitalized interest during the current year.

Capital assets are depreciated using the straight-line method over the following estimated useful lives:

Building and Improvements	20-50
Furniture and Equipment	5-10
Vehicles and Heavy Equipment	5-10
Infrastructure	20-35

Compensated Absences - A liability for unused vacation and comp time for all full-time employees and personal time off for EMS personnel is calculated and reported in the government-wide statements. For financial reporting, the following criteria must be met to be considered as compensated absences:

1. Leave or compensation is attributable to services already rendered.
2. Leave or compensation is not contingent on specific event (such as illness).

Per GASB Interpretation No. 6, liabilities for compensated absences are recognized in the fund statements to the extent that the liabilities have matured (i.e., are due for payment). Compensated absences are accrued as long-term debt in the government-wide statements.

Upon termination from the County employment, an employee that has completed a year of employment shall be entitled to payment for the total accrued but unused days of vacation. Comp time earned, but not taken, is paid at termination, but cannot accumulate beyond County specified limits. Once the maximum number of compensatory hours has been accumulated, employees are paid immediately for any additional compensatory hours earned. Sick leave accrues at a rate of 8 hours per month or 96 hours per year up to a maximum of 480 hours, but compensation is paid only for illness-related absences. Unused sick leave is non-vesting and will not be paid on termination, thus vacation and comp time is the only accrued compensation liabilities recorded.

Use of Estimates - The preparation of financial statements in conformity with GAAP requires the use of management's estimates. Actual results could differ from those estimates.

WARD COUNTY, TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Interfund Activity - Interfund activity results from loans, services provided, reimbursements or transfers between funds. Loans are reported as interfund receivables and payables as appropriate and are subject to elimination upon consolidation. Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures or expenses. Reimbursements occur when one fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers.

Deferred Outflows/Inflows of Resources -In addition to assets, the statement of net position will report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The County has deferred outflows of resources for the difference between projected and actual earnings for its pension plan and contributions made to the pension plan after the measurement date, but before the end of the fiscal year.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The County has only one type of item, which arises only under a modified accrual basis of accounting that qualifies for reporting in this category. Accordingly, the item, unavailable revenue, is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues from property taxes and fines and fees. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

Federal and State Grants and Entitlements - Grants, entitlements and shared revenues may be accounted for within any of the fund types. The purpose and requirements for each grant or entitlement are carefully analyzed to determine the proper fund type in which to record the related transactions. Grants or entitlements received for purposes normally financed through a particular fund type may be accounted for in that type provided that applicable legal restrictions are appropriately satisfied. Such revenues received for purposes normally financed through the general fund are accounted for within the Special Revenue Funds.

Fund Equity - In the fund financials, fund balance is the difference between governmental fund assets and liabilities reflected on the balance sheet.

The fund balance of the General Fund is of primary significance because the General Fund is the primary fund which finances most functions in the County.

The order of spending and availability of the fund balance shall be to reduce funds from the listed areas in the following order: restricted, committed, assigned, and then unassigned funds.

The five classifications of fund balance of the governmental types are as follows:

Non-spendable fund balance classification includes amounts that cannot be spent because they are either not in a spendable form or they are legally or contractually required to be maintained intact. Examples of these funds are inventories or prepaid items. Additionally, these items are not expected to be converted to cash.

WARD COUNTY, TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Restricted fund balance represents those funds other than non-spendable that are restricted to specific purposes such as externally imposed by creditors, grantors, contributors or laws or regulations of other governments. Additionally, these funds are imposed by law through constitutional provisions or enabling legislation.

Committed fund balance represents those funds that can only be used for specific purposes per the formal action (i.e., resolution) as a posted Commissioners' Court agenda item of the Ward County Commissioners' Court. These funds cannot be used for any other purpose unless the Court removes or changes the specified use by taking the same type of action it employed to previously commit the funds. These funds include contractual obligations entered into by the Commissioners' Court.

Assigned fund balance represents those funds designated by the commissioners' court to be used for specific purposes, but are neither restricted nor committed. The resources of these funds could represent operating transfers to special revenue funds from the general fund and the interest earnings associated with those transfers and those funds that are not classified as restricted, non-spendable or committed.

Unassigned fund balance is the resulting difference between total fund balances less the previous types of fund balances and is at the discretion of the Commissioners' Court. The general fund is the only fund type that may represent a positive unassigned fund balance. In other governmental funds, if expenditures incurred for specific purposes exceed the amounts, restricted, committed or assigned to those purposes, it may be necessary to report a negative unassigned fund balance.

When an expenditure is incurred for a purpose for which both restricted and unrestricted fund balance is available, the County considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the County considers amounts to have been spent first out of committed, then assigned funds, and finally unassigned funds.

Pensions – For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pension expense, information about the Fiduciary Net Position of Texas County and District Retirement System (TCDRS) and additions to/deductions from TCDRS's Fiduciary Net Position have been determined on the same basis as they are reported as TCDRS. For this purpose, plan contributions are recognized in the period that compensation is reported for the employee, which is when contributions are legally due. Benefit payments and refunds are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Other Post-Employment Benefits (Retiree Health Insurance) – The fiduciary net position of the County's Retiree Health Insurance Benefits has been determined using the flow of economic resources measurement focus and full accrual basis of accounting. This includes for purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to other post-employment benefits, OPEB expense, and information about assets, liabilities and additions to/deductions from the County's Retiree Health Insurance Benefit's fiduciary net position. Benefit payments are recognized when due and payable in accordance with the benefit terms. There are no investments as this is a pay as you go plan and all cash is held in a cash account.

WARD COUNTY, TEXAS
 NOTES TO FINANCIAL STATEMENTS
 FOR THE YEAR ENDED DECEMBER 31, 2021

Note 2: STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Budgetary Information

The County Judge submits an annual budget to the Commissioners Court in accordance with the laws of the State of Texas. The budget is presented to the Commissioners Court for review, budget workshops are held with the various County department officials, and public hearings are held to address priorities and the allocation of resources. Prior to September 30, the Commissioners' Court adopts the annual fiscal year budgets for all County operating funds. Once approved, the Commissioners' Court may amend the legally adopted budget when unexpected modifications are required in estimated revenues and appropriations.

The budget for the general fund is prepared on the GAAP basis. Revenues are budgeted in the year receipt is expected; and expenditures are budgeted in the year that the liability is incurred.

All the County's funds held positive fund equity at December 31, 2021.

Note 3: DEPOSITS, INVESTMENTS AND SECURITIES

The County's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of twelve months or less from the date of acquisition. The County's cash and cash equivalents were comprised of demand deposit accounts, time deposits and TexPool accounts at December 31, 2021.

The total carrying amount of the County Treasurer's demand deposits at December 31, 2021 was \$1,391,870 and the bank balance was \$1,763,698. The County Treasurer's demand deposits at December 31, 2021, and during the year ended December 31, 2021, were covered by FDIC insurance and pledged collateral. Pledged securities and FDIC insurance fell short of the date of highest demand deposit on December 6, 2021 by \$1,252,702. The following is disclosed regarding coverage of combined balances on the date of highest demand deposit:

Bank	Highest Demand Deposit Balance	FMV of Securities Pledged	FDIC Insurance	Month
Tejas Bank	\$3,983,045	\$2,230,343	\$500,000	December 2021

The County held no undeposited funds on December 31, 2021.

A portion of the County's cash and cash equivalents consist of balances held by TexPool, a branch of the State government. To minimize credit risk, TexPool's investment policy allows the portfolio's investment manager to only invest in obligations of the U.S. Government, its agencies; repurchase agreements; and no-load AAAM money market mutual funds registered with the SEC. Texpool is rated AAAM by Standard & Poor's. Market value at December 31, 2021 is provided by TexPool.

WARD COUNTY, TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

Note 3: DEPOSITS, INVESTMENTS AND SECURITIES – continued

The County's cash equivalents held with TexPool at December 31, 2021 are shown below:

<u>Name</u>	<u>Carrying Amount</u>	<u>Market Value</u>
TexPool	<u>\$67,472,565</u>	<u>\$67,472,565</u>

Custodial Credit Risk for Deposits and Investments

State law requires governmental entities to contract with financial institutions in which funds will be deposited to secure those deposits with insurance or pledged securities with a fair value equaling or exceeding the amount on deposit at the end of each business day. The pledged securities must be in the name of the governmental entity and held by the entity or its agent bank. At December 06, 2021 demand deposits were not adequately covered by pledged securities and FDIC insurance.

Foreign Currency Risk

The County has no investments or deposits of a foreign currency as of December 31, 2021.

Interest Rate Risk

The County has not been exposed to any interest rate risk as of December 31, 2021.

Concentration of Credit Risk

The County has not been exposed to any concentration of credit risk as of December 31, 2021.

WARD COUNTY, TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

Note 3: DEPOSITS, INVESTMENTS AND SECURITIES – continued

Compliance with the Public Funds Investment Act

The **Public Funds Investment Act** (Government Code Chapter 2256) contains specific provisions in the areas of investment practices, management reports, and establishment of appropriate policies. Among other things, it requires the County to adopt, implement, and publicize an investment policy. That policy must address the following areas: (1) safety of principal and liquidity, (2) portfolio diversification, (3) allowable investments, (4) acceptable risk levels, (5) expected rates of return, (6) maximum allowable stated maturity date for the portfolio, (7) maximum average dollar-weighted maturity allowed based on the stated maturity date for the portfolio, (8) investment staff quality and capabilities, and (9) bid solicitation preferences for certificates of deposit.

Statutes authorize the County to invest in (1) obligations of the U.S. Treasury, certain U.S. agencies, and the State of Texas, (2) certificates of deposit, (3) certain municipal securities, (4) money market savings accounts, (5) repurchase agreements, (6) bankers acceptances, (7) Mutual Funds, (8) investment pools, (9) guaranteed investment contracts, and (10) common trust funds. The Act also requires the County to have independent auditors perform test procedures related to investment practices as provided by the Act. The County is in substantial compliance with the requirements of the Act and with local policies.

Note 4: RECEIVABLES

Receivables at year end, including the applicable allowances for uncollectible accounts are as follows:

	General Fund	Other Funds	Total Governmental Funds
Receivables			
Delinquent Taxes	\$ 21,915,559	\$ -	\$ 21,915,559

Note 7: SHORT-TERM OBLIGATIONS

The County incurred a short-term obligation with the purchase of onboard computers for the Sheriff Departments patrol vehicles to be paid off in two years. Short-term debt activity for the year ended December 31, 2021 was as follows:

	Beginning Balance	New Debt	Repayment	Ending Balance
Short-term loan	\$ -	68,950	34,475	\$ 34,475

WARD COUNTY, TEXAS
 NOTES TO FINANCIAL STATEMENTS
 FOR THE YEAR ENDED DECEMBER 31, 2021

Note 8: LONG-TERM OBLIGATIONS

Long-term obligations are comprised of compensated absences, which includes annual vacation pay, comp pay, and personal time off pay (for EMS staff) of \$318,352; net other postemployment benefits obligation of \$20,767,198; and net pension liability of \$2,861,530. The balance for long-term obligations at December 31, 2021 was \$23,947,080.

Note 9: DEFERRED INFLOWS OF RESOURCES

Governmental Funds report unavailable revenue in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period. Governmental funds also defer revenue recognition in connection with resources that have been received but not yet earned.

At the end of December 31, 2021, deferred inflows in the General Fund were comprised of the following:

	General Fund
Net Unrealized Property Taxes	\$ 21,939,876
Net Unrealized Fines & Penalties	102,830
Total Deferred Inflows	\$ 22,042,706

Note 10: RISK MANAGEMENT

General and Professional Liability

The County has entered into an agreement with Texas Association of Counties (TAC) for property, general liability, law enforcement liability, auto liability, auto physical damage, public officials' liability, crime coverage, and workers' compensation insurance. TAC Insurance funds were formed by the entry into inter-local participation agreements by member political subdivisions of the State of Texas to jointly self-insure its members against certain risks within a defined scope, to purchase excess insurance or reinsurance when deemed prudent, and to pay necessary administrative disbursements.

Property Insurance

The County's property insurance program includes blanket property coverage with various limits for quake and flood and deductibles ranging from \$500 to \$25,000.

The County paid \$207,856 in property, general liability, and professional liability insurance premiums for the year ended December 31, 2021.

Health Insurance

For 2021, the County paid \$1,873,522 in health and dental insurance premiums.

WARD COUNTY, TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

Life Insurance/Aero Care

The County pays the premium for employees and retirees who elect to participate in the plan and remits these premium payments to the insurance company. County contributions for life insurance premiums amounted to \$25,333 for the year ended December 31, 2020. In addition the Commissioners contracted with Aero Care to cover the air transport for the residents of Ward County for one year in the amount of \$57,183.

Worker's Compensation

The County's worker's compensation plan is administered by the Texas Association of Counties (TAC) under fully-funded (pooled) coverage in which the County is a member.

WARD COUNTY, TEXAS
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

Note 11: EMPLOYEES' RETIREMENT PLAN

Plan Description

The County provides retirement, disability, and death benefits for all of its full-time employees through an agent multiple employer defined benefit pension plan in the statewide Texas County and District Retirement System (TCDRS). Article 33 of the State Statutes grants the authority to establish and amend the benefit terms to the TCDRS Board of Trustees (TCDRS Board). TCDRS issues a publicly available financial report that can be obtained at www.tcdrs.org.

At the measurement date, December 31, 2020, pension expense was as follows:

Service Cost	\$	1,324,183
Interest on total pension liability		3,649,539
Effect on plan changes		-
Administrative Expenses		34,912
Member contributions		(689,468)
Expected investment return net of investment expenses		(3,491,624)
Recognition of deferred inflows/outflows of resources		
Recognition of economic/demographic gains or losses		211,027
Recognition of assumption changes or inputs		743,014
Recognition of investment gains or losses		(437,175)
Other		(14,679)
Pension Expense	\$	<u>1,329,728</u>

As of December 31, 2020, the deferred inflows and outflows of resources are as follows:

<u>Deferred Inflows/Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>	<u>Deferred Outflows of Resources</u>
Differences between expected and actual experience	\$ 34,766	\$ 299,441
Changes of assumptions	-	2,052,277
Net difference between projected and actual earnings	1,518,377	-
Contributions made subsequent to measurement date	N/A	1,888,378
Totals	<u>\$ 1,553,143</u>	<u>\$ 4,240,096</u>

WARD COUNTY, TEXAS
 NOTES TO FINANCIAL STATEMENTS
 FOR THE YEAR ENDED DECEMBER 31, 2021

Note 11: EMPLOYEES' RETIREMENT PLAN - continued

The \$1,888,378 reported as deferred outflows of resources related to contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2021. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

2021	\$	345,015
2022		682,755
2023		(40,100)
2024		(189,095)
2025		-
Thereafter		-
Total	\$	798,575

Plan Information

At December 31, 2020, the County had 187 current and 160 former employees and 119 retirees participating in the Plan.

Actuarial Assumptions

The actuarial assumptions that determine the total pension liability as of December 31, 2020 were based on the results of an actuarial experience study for the period January 1, 2013-December 31, 2016, except where required to be different by GASB 68.

 FOR THE YEAR ENDED DECEMBER 31, 2021

Note 11: EMPLOYEES' RETIREMENT PLAN - continued

Valuation Date: Actuarially determined contribution rates are calculated each December 31, two years prior to the end of the fiscal year in which contributions are reported.

Methods and assumptions used to determine contribution rates:

Actuarial Cost Method	Entry Age
Amortization Method	Level percentage of payroll, closed
Remaining Amortization Period	17.1 years (based on contribution rate calculated in 12/31/2020 valuation)
Asset Valuation Method	5-year smoothed market
Inflation	2.50%
Salary Increases	Varies by age and service. 4.6% average over career including inflation.
Investment rate of return	7.50%, net of administrative and investment expenses, including inflation
Retirement Age	Members who are eligible for service retirement are assumed to commence receiving benefit payments based on age. The average age at service retirement for recent retirees is 61.
Mortality	130% of the RP-2014 Healthy Annuitant Mortality Table for males and 110% of the RP-2014 Healthy Annuitant Mortality Table for females, both projected with 110% of the MP-2014 Ultimate scale after 2014.
Changes in Assumptions and Methods Reflected in the Schedule of Employer Contributions*	<p>2015: New inflation, mortality and other assumptions were reflected.</p> <p>2017: New mortality assumptions were reflected.</p> <p>2019: New inflation, mortality and other assumptions were reflected.</p>
Changes in Plan Provisions Reflected in the Schedule of Employer Contributions	<p>2015: No changes in plan provisions were reflected in the Schedule.</p> <p>2016: No changes in plan provisions were reflected in the Schedule.</p> <p>2017: New Annuity Purchase Rates were reflected for benefits earned after 2017.</p> <p>2018: Employer contributions reflect that a 50% CPI COLA was adopted</p> <p>2019: No changes in plan provisions were reflected in the Schedule.</p> <p>2020: No changes in plan provisions were reflected in the Schedule.</p>

* Only changes that affect the benefit amount and that are effective 2015 and later are show in the Notes to Schedule.

Long-term Rate of Investment Return and Target Allocation

The long-term expected rate of return on TCDRS assets is determined by adding expected inflation to expected long-term real returns, and reflecting expected volatility and correlation. The capital market assumptions and information shown below are provided by TCDRS investment consultant, Cliffwater LLC. The numbers shown are based on January 2021 information for a 10-year time horizon.

Note that the valuation assumption for the long-term expected return is re-assessed in detail at a minimum of every four years, and is set based on a long-term time horizon. The TCDRS Board of Trustees adopted the current assumption at their March 2021 meeting. The assumption for the long-term expected return is reviewed annually for continued compliance with the relevant actuarial standards of practice. Milliman relies on the expertise of Cliffwater in this assessment.

Asset Class	Benchmark	Target Allocation ⁽¹⁾	Geometric Real Rate of Return ⁽²⁾
US Equities	Dow Jones U.S. Total Stock Market Index	11.50%	4.25%

WARD COUNTY, TEXAS
 NOTES TO FINANCIAL STATEMENTS
 FOR THE YEAR ENDED DECEMBER 31, 2021

Note 11: EMPLOYEES' RETIREMENT PLAN - continued

Discount Rate

The discount rate used to measure the total pension liability was 7.60%.

Sensitivity Analysis

The following presents the net pension liability of the County calculated using the discount rate of 7.60%, as well as what the County's net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (6.60%) or 1 percentage point higher (8.60%) than the current rate.

	1% Decrease	Current Discount Rate	1% Increase
	6.60%	7.60%	8.60%
Total pension liability	\$ 56,842,839	\$ 50,574,339	\$ 45,277,725
Fiduciary net position	47,712,809	47,712,809	47,712,809
Net pension liability/(asset)	\$ 9,130,030	\$ 2,861,530	\$ (2,435,084)

Note 12: POSTEMPLOYMENT HEALTHCARE BENEFITS

Description

The County offers health insurance benefits to all qualified retirees who elect to participate in the plan. The plan is considered a single-employer defined benefit plan and benefits are paid directly from general assets on a pay as you go basis. The healthcare benefits cover medical, dental and hospitalization costs for retirees and their dependents. Retirees over age 65 are required to enroll in Medicare. Medical, dental and life insurance coverage is available in the event of disability. The authority under which the Plan's benefit provisions are established or amended is the Commissioner's Court. No assets are accumulated in a trust that meets the criteria in paragraph 4 of Statement 75.

Benefits

The County offers postemployment health, dental and life insurance benefits to all employees who retire from the County if they receive a TCDRS pension and retire from the County (1) on or after age 60 with at least 8 years of service, (2) after the sum of their age and service exceeds 75 (Rule of 75), or (3) at any age with at least 30 years of service. Retirees who do not have eight years of service with Ward County at the time of TCDRS retirement may continue on the medical plan but must pay 100% of the premium for continued coverage. Coverage is available to dependents of retirees who are currently receiving benefits. If the retiree predeceases the dependent, coverage for the dependent falls under COBRA. Life insurance in the amount of \$5,000 is provided for retirees only. If the retiree had 8 years of service with the County at TCDRS retirement, the County will pay 100% of the life insurance premium. If the retiree did not have 8 years of service with the County at TCDRS retirement, the retiree must pay 100% of life insurance premium.

WARD COUNTY, TEXAS
 NOTES TO FINANCIAL STATEMENTS
 FOR THE YEAR ENDED DECEMBER 31, 2021

Note 12: POSTEMPLOYMENT HEALTHCARE BENEFITS continued

The plan does not issue a stand-alone report. For inquiries relating to the plan, please contact Ellen Friar, Ward County, 400 S. Allen, Monahans, TX 79756.

Employees covered by benefit terms

At January 1, 2021, the following employees were covered by the benefit terms:

Inactive employees, retiree's spouses or beneficiaries currently receiving benefit payment	74
Inactive employees entitled to but not yet receiving benefit payments	-
Active employees	124
Total	198

The OPEB Liability of \$20,767,198 was measured as of December 31, 2021.

Actuarial assumptions and other inputs

The total OPEB liability in the December 31, 2021 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement unless otherwise specified:

Valuation Timing	The valuation is performed at January 1, 2020 with measurements at December 31, 2020 and December 31, 2021.
Actuarial Cost Method	Entry Age Normal
Discount Rate ⁽¹⁾	December 31, 2020: 2.12% December 31, 2021: 2.06%
Inflation	December 31, 2020: 2.20% December 31, 2021: 2.20%
Salary Increases	Used the 2019 TCDRS report, varying on plan entry age. The rates from this report is compounded with the wage increase rate of 3.25% per year for the total salary increase rates.

⁽¹⁾The Discount Rate is based on the Bond Buyer's 20-year General Obligation Index immediately prior to or coincident with the measurement date.

Note 12: POSTEMPLOYMENT HEALTHCARE BENEFITS continued

Coverage Assumption	100% of active employees are assumed to elect coverage at retirement.
Marriage Assumptions	50% of members are assumed to elect spousal coverage at retirement. When provided, actual ages for spouses are used. Otherwise, it is assumed that female spouses are 3 years younger than male spouses.
Mortality	December 31, 2020: Sex distinct PubG.H-2010 projected forward (fully generational) with MP-2020. Pub-2010 Tables for disabled lives and contingent survivors with also be used. December 31, 2021: Sex distinct PubG.H-2010 projected forward (fully generational) with MP-2020. Pub-2010 tables for disabled lives and contingent survivors withll also be used.
Retirement Rates	Used the December 2019 TCDRS Report.
Termination Rates	Used the 2019 TCDRS Report for the Middle Termination Group. Sample termination rates vary on plan entry age.
Disability	Used sample rates of disability from the 2019 TCDRS Report.
Changes in Actuarial Assumptions	
Discount Rate	The discounty rate was updated from 2.12% at the December 31, 2021 measurement date to 2.06 at the December 31, 2021 measurement date. This assumption change increased total OPEB liability by approximately \$159 thousand.
Mortality	The mortality assumptions were updated from mortality scale MP-2020 to mortality scale MP-2021 at the December 31, 2021 measurement date. This assumption changes increased total OPEB liability by approximately \$18 thousand.

WARD COUNTY, TEXAS
 NOTES TO FINANCIAL STATEMENTS
 FOR THE YEAR ENDED DECEMBER 31, 2021

Note 12: POSTEMPLOYMENT HEALTHCARE BENEFITS continued

Sensitivity of the total OPEB liability to changes in the discount rate.

The following presents the total OPEB liability of the County, as well as what the County's total OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower (1.06%) or 1-percentage-point higher (3.06%):

	1% Decrease 1.06%	Current Discount Rate 2.06%	1% Increase 3.06%
Total OPEB Liability	\$ 24,429,166	\$ 20,767,198	\$ 17,831,706

Sensitivity of the total OPEB liability to changes in the healthcare cost trend rates.

Regarding the sensitivity of the total OPEB liability to changes in the healthcare cost trend rates, the following presents the plan's total OPEB liability, calculated using the assumed trend rates, as well as what the plan's total OPEB liability would be if it were calculated using a trend rate that is one lower or one percent higher:

	1% Decrease	Current Trend Rate	1% Increase
Total OPEB Liability	\$ 17,110,804	\$ 20,767,198	\$ 25,571,301

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB:

For the year ended December 31, 2021, the County recognized OPEB expense related to retiree health insurance benefits of \$2,390,035.

At December 31, 2021, the County reported deferred outflows and deferred inflows of resources related to pensions from the following sources:

	Deferred Inflows of Resources		Deferred Outflows of Resources
Differences between expected and actual experience	\$ -	\$	1,112,731
Changes in Assumptions	(479,995)		1,871,744
Total	\$ (479,995)	\$	2,984,475

WARD COUNTY, TEXAS
 NOTES TO FINANCIAL STATEMENTS
 FOR THE YEAR ENDED DECEMBER 31, 2021

Note 12: POSTEMPLOYMENT HEALTHCARE BENEFITS continued

\$2,984,475 reported as deferred outflows of resources related to retiree health insurance benefits resulting from contributions subsequent to the measurement date will be recognized as a reduction of the net OPEB liability as of December 31, 2021. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended December 31:	Net deferred outflows/(inflows) of resources
2022	\$ 626,271
2023	626,271
2024	588,108
2025	540,581
2026	123,249
Thereafter*	-
Total	\$ 2,504,480

*Note that additional future deferred inflows and outflows of resources may impact these numbers.

Note 13: DEFERRED COMPENSATION PLAN

The County offers its employees two deferred compensation plans created in accordance with Internal Revenue Code Section 457. The plans, available to all County employees, permit them to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or unseen emergency.

All amounts of compensation deferred under the plans, all property and rights purchased with those amounts, and all income attributable to those amounts, property or rights are (until paid or made available to the employee or other beneficiary) solely the property and rights of the County (without being restricted to the provisions of benefits under the plan), subject only to claims of the County's general creditors. Participants' rights under the plan are equal to those of general creditors of the County in an amount equal to the fair market value of the deferred account for each participant.

The balances of the deferred compensation plans at December 31, 2021 were \$18,481 and \$2,375,934, respectively.

FOR THE YEAR ENDED DECEMBER 31, 2021

Note 14: RELATED PARTY TRANSACTIONS

The Office of Ward County Attorney is considered a part-time position and the County Attorney is permitted to maintain a private practice in addition to his public duties. As a result, some facilities, equipment and services are utilized in both his private practice and his public duties as Ward County Attorney. The physical separation and accounting of the two functions are deemed inefficient and improbable by both Ward County and the Ward County Attorney. As a result, the County and the County Attorney have entered into an agreement whereby allocations of costs that jointly benefit the County and the County Attorney's private practice have been proposed, approved and applied as part of the costs of the Office of the Ward County Attorney. This agreement stipulates that the County Attorney will provide his personal office space, furniture and equipment and services for accounting for the County Attorney Hot Check Fund at no charge to the County in return for the County's subsidy of the personal portion of his secretaries' time. The County Attorney makes an effort to segregate and pay for his personal portion of other expenses such as utilities (considered 25% personal and bills the County for 75% of utilities on an after-the-fact basis), telephone, office cleaning, seminars, law library, subscriptions and internet services and postage.

Ward County authorizes the Ward County Judge to utilize his county office for his private practice of law. The Commissioners' Court has found that this arrangement serves a public purpose in that it makes the County Judge more available to county officials and staff, as well as to the public. The County Judge provides his own office supplies and reimburses Ward County for copies and long distance telephone calls. In 2021 the County Judge earned \$0 from Ward County for court-appointed representation of indigent defendants in district court.

Ward County, Texas
Notes to Required Supplementary Information
December 31, 2021

Budgetary Information

The County follows these procedures in establishing the budgetary data reflected in these financial statements:

1. The County Judge, as budget officer, with the assistance of the County Auditor, prepares a budget to cover all proposed expenditures and the means of financing them for the succeeding year, and delivers the proposed budget to Commissioners Court.
2. Commissioners Court holds budget sessions with each department head.
3. Commissioners Court holds budget hearings for the public at which all interested person's comments concerning the budget are heard.
4. Commissioners Court formally adopts the budget in open court meeting.
5. The adopted budget becomes the authorization for all legal expenditures for the County for the fiscal year. Appropriations lapse at the end of the fiscal year.
6. The formally adopted budget may legally be amended by commissioners in accordance with article LGC-111-010 or LGC-111-011.
7. Annual budget is legally adopted for the General Fund.
8. An appropriate resolution (the appropriated budget) to control the level of expenditures should be legally enacted prior to September 30. The County maintains its legal level of budgetary control at the department level. Amendments to the 2021 budget were approved by the Commissioners Court as provided by law.
9. All budget appropriations lapse at year-end.

WARD COUNTY, TEXAS
 SCHEDULE OF CHANGES IN THE TOTAL OPEB LIABILITY AND RELATED RATIOS
 TEXAS COUNTY & DISTRICT RETIREMENT SYSTEM
 FOR THE YEAR ENDED DECEMBER 31, 2021

	FY 2021 Plan Year 2020	FY 2020 Plan Year 2019	FY 2019 Plan Year 2018	FY 2018 Plan Year 2017
Total OPEB Liability				
Service Cost	\$ 1,333,219	\$ 1,110,402	\$ 690,773	\$ 779,013
Interest on the Total OPEB Liability	430,545	436,843	536,134	469,814
Changes of Benefit Terms	-	-	-	-
Difference between Expected and Actual Experience	-	1,642,603	-	-
Changes of Assumptions	277,418	1,396,274	1,610,512	(1,352,715)
Benefit Payments*	(496,389)	(390,317)	(389,041)	(389,269)
Net Change in Total OPEB Liability	1,544,793	4,195,805	2,448,378	(493,157)
Total OPEB Liability - Beginning	19,222,405	15,026,600	12,578,222	13,071,379
Total OPEB Liability - Ending	\$ 20,767,198	\$ 19,222,405	\$ 15,026,600	\$ 12,578,222
Covered Payroll	\$ 7,602,770	\$ 7,602,770	\$ 7,596,040	\$ 7,374,796
Total OPEB Liability as a Percentage of Covered Payroll	273.15%	252.83%	197.82%	170.56%

*The Supplemental Death Benefit Fund is considered to be an unfunded OPEB plan under GASB 75. Because of this benefit payments are treated as being equal to the employer's yearly contributions for retirees.

Note: GASB Codification, Vol. 2, P52.139 states that the information on this schedule should be determined as of the measurement date of the plan.

As required by GASB 75, this schedule will be built prospectively as the information becomes available until 10 years of information is presented.

Notes to the Schedule of Contributions

Valuation Date: Actuarially determined contribution rates are calculated each December 31, two years prior to the end of the fiscal year in which contributions are reported.

Methods and assumptions used to determine contribution rates:

Actuarial Cost Method:	Entry Age
Amortization Method:	Level percentage of payroll, closed
Remaining Amortization Period:	17.1 years (based on contribution rate calculated in 12/31/2020 valuation)
Asset Valuation Method:	5-year smoothed market
Inflation:	2.50%
Salary Increases:	Varies by age and service. 4.6% average over career including inflation.
Investment Rate of Return:	7.50%, net of administrative and investment expenses, including inflation.
Retirement Age:	Members who are eligible for service retirement are assumed to commence receiving benefit payments based on age. The average age at service retirement for recent retirees is 61.
Mortality:	130% of the RP-2014 Healthy Annuitant Mortality Table for males and 110% of the RP-2014 Healthy Annuitant Mortality Table for females, both projected with 110% of the MP-2014 Ultimate scale after 2014.
Changes in Assumptions and Methods Reflected in the Schedule of Employer Contributions*	<p>2015: New inflation, mortality and other assumptions were reflected.</p> <p>2017: New mortality assumptions were reflected.</p> <p>2019: New inflation, mortality and other assumptions were reflected.</p>
Changes in Plan Provisions Reflected in the Schedule of Employer Contributions*	<p>2015: No changes in plan provisions were reflected in the Schedule.</p> <p>2016: No changes in plan provisions were reflected in the Schedule.</p> <p>2017: New Annuity Purchase Rates were reflected for benefits earned after 2017.</p> <p>2018: Employer contributions reflect that a 50% CPI COLA was adopted.</p> <p>2019: No changes in plan provisions were reflected in the Schedule.</p> <p>2020: No changes in plan provisions were reflected in the Schedule.</p>

**Only changes that affect the benefit amount and that are effective 2015 and later are shown in the Notes to Schedule.*

FEDERAL AND STATE AWARDS SECTION

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

The Honorable Judge and Members of the Commissioners' Court of Ward
County, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the County of Ward (the "County") as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated August 1, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the County's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Smith & Rives, PC
Monahans, Texas

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR STATE PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF EXPENDITURES OF STATE AWARDS REQUIRED BY THE STATE OF TEXAS UNIFORM GRANTS MANAGEMENT STANDARDS (UGMS)

The Honorable Judge and Members of the Commissioners' of Ward County, Texas

Report on Compliance for Each Major State Program

Opinion on Each State Program

We have audited the County Of Ward, Texas (the "County's") compliance with the types of compliance requirements described in the *State of Texas Uniform Grants Management Standards ("UGMS")* that could have a direct and material effect on each of the County's major state programs for the year ended December 31, 2021. The County's major state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its other major state programs for the year ended December 31, 2021.

Basis for Opinion on Each Major State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States;ⁱ and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).^j Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Ward County, Texas and to meet our ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major state program. Our audit does not provide a legal determination of Ward County, Texas's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Ward County, Texas state programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Ward County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the *State of Texas UGMS* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about Ward County, Texas's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the *State of Texas UGMS*, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Ward County, Texas's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Ward County, Texas's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance with the *State of Texas UGMS*, but not for the purpose of expressing an opinion on the effectiveness of Ward County, Texas's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies, in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *State of Texas UGMS*. Accordingly, this report is not suitable for any other purpose.

TEXAS DEPARTMENT OF CRIMINAL JUSTICE	BORDER PROSECUTION	2537309/10	100,557
Total Expenditures of State Awards			\$ 1,196,876

WARD COUNTY, TEXAS
NOTES ON ACCOUNTING POLICIES FOR STATE AWARDS
YEAR ENDED DECEMBER 31, 2021

1. GENERAL

The accompanying Schedule of Expenditures of State Awards (the "Schedule") presents the activity of all applicable state awards of Ward County, Texas for the year ended December 31, 2021.

For the purposes of the Schedule, state awards include all grants, contracts and similar agreements entered into directly between the County and agencies and departments of the State of Texas and all sub-awards to the County pursuant to state grants, contracts and similar agreements. Major programs are identified by the independent auditor in accordance with the provisions of the State of Texas Uniform Grant Management Standards ("UGMS").

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES FOR STATE AWARDS

Expenditures for direct costs and employee benefits are recognized as incurred using the modified accrual basis of accounting (accrual basis for proprietary funds) to the extent grants are approved and applicable government cost principles specified by each grant, contract and agreement. Such expenditures are recognized following the cost principles contained in the State of Texas Uniform Grant Management Standards ("UGMS"). The County does not recover indirect costs unless expressly allowed by each award.

Additionally, amounts reported as expenditures in the Schedule may not agree in the related financial reports filed with the grantor agencies because accruals that would not be included until the next report filed with the agency.

3. COMMITMENTS AND CONTINGENCIES

The County participates in several state grant programs, which are governed by various rules and regulations of the grantor agencies. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies. Therefore, the extent that the County has not complied with the rules and regulations governing the grants, refunds of any money received may be required, and the collectability of any related receivable at December 31, 2021 may be impaired. In the opinion of management, there are no significant contingent liabilities relating to compliance with rules and regulations governing the grants.
